

Fundraising with Tupperware

**Offers a product that everyone knows, a product that is an investment
(Lifetime warranty)**

Offers a product that is environmentally friendly

**Provides a service to your supporters and friends
(Tupperware is not available in stores)**

Products are ordered

No purchases of advance stock, No returning or storing unsold items

All orders with payment are picked up then delivered to one central location

There is nothing to sort or separate

All orders are individualized for each supporter and each participant

Participants will be given goals, challenges, and incentives

Rewards are supplied by us

The more participants involved, the higher the benefits for the organization

Individual participant packages are provided for all participants

Your organization has no costs

Your organization receives a detailed report showing participation and profit

Earning

**Your profit cheque, 40% of sales, is paid within two weeks of the fundraiser
\$5.00 extra will be donated for every supporter that dates a future demonstration
within a 21 day period from the date of the fundraiser**

Sales (before taxes) add up quickly

An average order per supporter is \$30.00

Each participant is responsible for 10 orders

**20 participants with sales of \$300.00 each equals \$6000.00 in sales,
which gives the organization a whopping \$2400.00!**
