*A Tupperware Bridal Show is a perfect way for New Brides & Grooms to receive wonderful kitchen products for their new home*

### *How it Works*

Guests can come to the shower bearing nominal cash gifts for the bride AND do their very own shopping at the same time. Then at the end of the party the bride will be awarded a Shower Card (provided by the consultant for you to sign upon arrival) with a GIFT CERTIFICATE for the total amount contributed to the Bride, which she then will be able to do her very own shopping compliments of her family and friends. PLUS the Bride will also receive all Host Gifts and Host Bonuses awarded based on the total retail sales of the Tupperware Bridal Shower.

*Compliments of your  
Tupperware Representative*
