

THE POINT GAME

- ◇ I wonder who came from afar? Give yourself 5 if you came by car. Were you on time? Not a minute late? Punctuality pays, so give yourself 8.
- ◇ A watch is worth 6 and each ring is 2, 10 more points if your eyes are blue!
- ◇ Score yourself 5 if you're wearing any pink, but take away 10 if you left dishes in the sink!
- ◇ Count all your buttons...each gives you 1 except if they're white, then you get none!
- ◇ For each bow you have add 2, but safety pins are taboo, so for each one you're wearing, you must subtract 2!
- ◇ Now take away 5 if your purse is red, but give yourself 1 for each year you've been wed. And if you're single, we won't debate, we'll assume you're ecstatic, so go ahead and add 8!
- ◇ Now daughters are sweet, on that we agree, so for each one you have, you may now add 3.
- ◇ But when adding up points, boys are worth more, for each one you have, go ahead and add 4!
- ◇ If you kissed your husband or boyfriend today, add 12, but into your personal life we must delve. If you kissed them both, you must subtract 20, cause you're in trouble and trouble a plenty!!!
- ◇ Now add 50 points just for listening to me present all these beautiful products you see.
- ◇ And that's all there is, so total your score, unless you're a special friend then there is more. Add 50 points if you'll have a party to help (hostess name) get some nice things for free!
- ◇ HIGH SCORE WINS PRIZE!
