

The Six Keys to
Unlocking Your Extra Host Credits

Everyone attending
Rally as a first time
guest receives a
Tupperware
Surprise Gift also.

Key #1 This is the MOST important Key. Without this key, you cannot unlock any other keys. Before your party, visit our office to hear about the Tupperware Opportunity, and see the Exclusive Host Gifts. You can't possibly spend all your Host Credit without seeing the products first-hand!

Key #2 Within 2 days provide me with the name of 25 guests and their phone numbers. You need to trust me, and fill the list with all 25 names and numbers BEFORE you contact any of the guests on your list.

Key #3 You will need to have 10 Advance Orders. These are really important because orders from outside the party can't cancel at the last minute due to sickness nor are they are not affected by the weather. These people are your helpers, so that you don't have to do this whole party all by yourself.

Key #4 Have 10 Adult Guests at your party. These 10 plus your 10 Advance orders will pretty much guarantee you an \$1100 party! A party is always much more fun with lots of people at it.

Key #5 Complete the attached Tupperware Toonie Sheet. Sell all 50 squares at \$2 each and you will already have \$100 in "Advance Orders" to help with Key #3. Plus we'll do the draw after all the orders are in and contact the winner to let them choose their \$100 of Tupperware!

Key #6 Before your party starts, have one of your friends book her very own Tupperware Party with me. She'll get the opportunity to earn all these extra Host Credits and you'll get credit for her party as one of your datings!

\$10

Key #1
