

ROLL THE DICE!

- 1) Pass out a dice to everyone at the party/build excitement about WHAT is going to happen with this dice!
- 2) Let everyone "TAKE A CHANCE" say something like this:
"NOW we are going to play a *fun game* with your DICE...you GET to "roll the dice and WIN!" When you roll an **ODD number**, you GET to pick a gift from my bowl/basket to take home! When you roll an **EVEN number**..."You **EVEN get me and you EVEN get a BIGGER GIFT**"...just me and your girlfriends, my plastic bowls, and a gift valued for \$____ from this basket/bowl when you have me in to see what's hot and new from Tupperware!"
- 3) If they get an ODD number, you can say "I know the ODDs are that you *probably* want to me in to get all the great free gifts..." (talk to them about dating anyways!)

GIFT BOX DATING

Wrap a shoe box or some type of box that you can take the cover off easily and put a gift inside that you can offer a host. Tie 2-4 key chains on the ribbon of the box. Tell that host "When 3 of the key chains on the box are picked by friends of yours who will have me in to host a get together with their friends, YOU GET what's inside the box from me! (You can even put specific dates/times in the key chain or attached to give 'choice' of date/time but also control your date book.) BUILD EXCITEMENT ABOUT THE GIFT, and MAKE IT LOOK VERY SPECIAL so the host will be excited about getting what is inside and encourages her friends to take a key chain (suggest word choices/have fun!)

HAPPY BAG DATING

Use gift bags with "HAPPY FACE" stickers, pictures, etc. on them and fill each bag with items that a host can get from you by saying YES to dating a Tupperware party. You can use the dating gift, small product, gadget/net items. Make the bags look FUN and inviting. Say something like this:

"These are my **HAPPY BAGS!!!!**" YOU will make **ME...VERY HAPPY**, when you decide that you will have me in, some friends, my great products, and choose to earn some great **FREE gifts!**" The bags range from \$__ to \$__ in value and when you choose a HAPPY BAG (and make me **VERY VERY HAPPY**), I will present your gift that is inside the bag to you at your get together so your friends can see how **HAPPY YOU ARE** that you decided to have me in to earn more **FREE GIFTS** from Tupperware! Which "HAPPY" Bag do you want to choose to get the gift inside! (after they pick...label gift to give at the next party...say, "**YOU MADE ME VERY HAPPY!!!!**")"
