Loving my products and loving my community

What I love most about my Tupperware career of 34 years is helping & meeting new people.

Being a mother of four, Tupperware has given me the freedom of a flexible career.

I'm so proud of what I do and the ability to sell a product that has been endeared and admired by millions for 70 years.

Fundraising with Tupperware has given me the opportunity to give back to my small community of schools, clubs and organizations who need assistance earning funds for extra expenses. It's a pleasure to be able to offer 40% of all profits made to each and every group.

Who do you know who could use a fundraiser?!
