

Tic Tac Tupperware Recruiting Activity

1. Give each guest a Tic Tac Tupperware sheet and ask them to choose 9 items from the list that would interest them the most. Invite them to write one item in each square.
2. Create 16 draw slips of paper with one benefit written on each for you to conduct drawings. (or use our Recruiting Cards)
3. Begin the activity by drawing a slip of paper. When you call out the benefit, add a one-line explanation like...”Friendship – In Tupperware we are a company of friends.”
4. Ask the guests to “X” the item on their sheet when matching the drawing. The object of the activity is to be the first guest to match 3 in a row like a tic-tac-toe and win a prize.
5. When a guest has marked three in a row, encourage her to say “I Love Tupperware” to add excitement and call back the 3 matched items.
6. This gives you a second opportunity to add one-line comments to support recruiting.
7. Award the winner with a party guest gift.
8. Hold more than one round of this activity because you’ll want to talk about all of the benefits not just a few. Guests can use the same sheet by using a different marking system like a “O”, “♦”, “√”, “*” for additional rounds.
9. Collect the sheets at the end of the activity to help you with conversation starters and identifying hot recruit leads!
