

Need Extra Income for Vacation or Bills!

Look at the money you can earn selling Tupperware
Get ready to go on a great vacation!!!
(When you hold just 2 demos per week, your potential is unlimited!)

To use this chart: Weeks before Vacation are shown across the top of the chart. The dollar figure shown is the personal profit you can earn by holding just 2 demos per week. Figure it based on your own party average.
For example: Based on holding just 2 demos per week with a party average of \$600, if you held two \$600 demos each week for the next 12 weeks, you could earn approximately \$3,600 personal profit before your Vacation!

Use the same formula to pay off a debt!!!!
