# Marcia celebrates 34 years with Tupperware

---

In the last 34 years, Tupperware has given me the opportunity to first be the wife and mother that I wanted to be.

It has afforded me flexibility to do all the things that I wanted to do, like spending time with my husband and children, and now with our seven grandchildren. My children always tell me that I party more than anyone they know! It keeps you young and exciting to be around.

During the holidays we always have so much company –if it was not for Tupperware, I wouldn't know where to put all our leftover buffalo pizza. People always tease me and say there is nothing but Tupperware in my dishwasher. (It's true.)

I love to party and see all the great gifts that my hostesses receive. My Consultants are like my extended family and I love watching them grow financially and emotionally. If you are thinking about becoming a Consultant, do it. You have nothing to lose, and everything to gain.
