

The Survey Dating Approach

Hi, _____. This is _____ from Tupperware. The reason I am calling is that Tupperware has come out with a brand new line of seasoning blends & a fabulous new recipe book. It's called "THE TASTE OF TUPPERWARE!" Tupperware has asked me to contact my very best hostesses & customers to get their opinions, through a survey demonstration. All you have to do is have a few friends over; we will make a couple of the recipes & then give the guests a chance to try the food.

When you say YES & I come over & do this survey demo, you'll receive the new recipe book free, along with other host offers you qualify for. It will be so fun & easy! Best of all, your guests will receive a gift for sampling the food & for filling out the survey. I wanted to call you first, so you're friends would be the first ones to experience "THE TASTE OF TUPPERWARE." I have _____ or _____ open, which one would be best for you & your friends
