

Microsteamer Pineapple upside-down Cake

(For Microwave Cooking)

Duncan Hines Yellow Cake Mix

1/2stick Butter or Margarine

All ingredients required for the cake mix

1/2cup of Brown Sugar

1 Large can of Pineapple (Rings or Crushed)

Melt butter in bottom section of Tupperware's Family-Size Microsteamer (about 30 seconds in the microwave). Spread Brown Sugar over the bottom surface. Drain the Pineapple (setting aside the pineapple juice for the cake mixture) and spread over brown sugar and butter mixture.

Prepare the cake mix according to the directions on the box using the pineapple juice with water to make the required amount of water for the cake mix.

Pour the cake mixture into the Microsteamer over the pineapple, brown sugar and butter mixture. Cover the Microsteamer and cook on high power in the microwave for 12 minutes. (If you microwave does not have a turntable be sure to turn the Microsteamer a 1/2turn after 6 minutes. After cooking let the cake stand (covered) in the microwave for an additional 5 minutes before removing. Turn cake onto to a plate or cake tray and enjoy.

Fast, Easy & Delicious!
